Questions for Reflection & Discussion

1. What details do you remember about how we acquired 20 acres on the corner of Tuttle Road and Route 88? Does the story give you confidence that God wants us to build on this land? Why or why not?

2. How has the COVID-19 quarantine affected your thinking about church involvement? Has it made you want it more or less? Why?

3. Read Genesis 17:8 and Exodus 33:1. Why do you think God gave Abraham's descendants the land of Israel? Why do you think He gave us 14 Tuttle Road?

4. Read Deuteronomy 5:33, 6:18, and 11:8-9. What difference do you think our obedience to God's word will make in what He does in and through us when we worship on our new property?

5. How do you think White Pine will be different when we build a permanent facility on the land He has given us? What new opportunities will we have? What dangers will we face?
