Questions for Reflection & Discussion

1. Read Genesis 47-50 for yourself. What secrets of success can you find in Joseph's life (other than those Greg mentioned)?
2. In what area of your life might you be tempted to think of yourself as a victim? What good have you seen God bring out of this injustice? How do you think He might be able to bring good out of it in the future?
3. In what ways do you believe you are blooming where God has planted you? What are some practical ways in which you can do your work with greater excellence?
4. In what area of your life are you facing the most severe temptation to sin right now? Based on Joseph's example (Genesis 39:6-12), what can you do to gain victory over that temptation?
5. Make a list of everyone against whom you are holding a grudge. Then read Matthew 6:14-15 and Ephesians 4:32. What is God calling you to do? What steps do you need to take to obey Him?
