

# Transformed by the Truth

Questions for Reflection & Discussion

When have you felt like this woman; experiencing suffering of some kind that you just want to see changed?

At first, Jesus appears to not want to interact with this woman. When have you thought that Jesus was absent or didn't seem to care about a situation? How would you have reacted to Jesus if He responded to you like this woman?

The woman chooses to move towards Jesus, pleading, worshipping, and wrestling with Him at every turn. How does this compare with how you relate to Jesus? What might it look like for you to "wrestle" with Jesus in your faith?
