1. How would you define "wisdom"? How is wisdom different than knowledge?
2. Read Romans 11:33 and Romans 16:27. What are some of the practical implications of the truth that only God is all-wise?
3. Read Isaiah 55:8-11. When was a time that you trusted in God's wisdom rather than your own? What were the results? In what area of your life are you being challenged to trade your wisdom for His right now?
4. Read Psalm 119:105 and Proverbs 13:20 and James 1:5. What are some ways that you are pursuing wisdom in your everyday life? What new habits could you form to become wiser?
5. When was the last time you asked God, "Why are you allowing this to happen to me?" How can you continue to progress spiritually when God doesn't answer that question?
